

SHARING WITH THE NEIGHBORS!

Beginning October 11th Campbell & Bedford County Libraries will share resources!

What does this mean for you?

- Your library card will work at all Campbell and Bedford Libraries, with locations in:
 - Rustburg, Altavista, Timberlake, Brookneal
 - Bedford, Forest, Montvale, Big Island, Stewartville, & Moneta
- Materials check outs will be longer for most items: new items and dvds will still be checked out for two weeks; all other materials will check out for 30 days.
- Seniors (55+), you will now be fined .10/day for overdue books, just like everyone else. We hope the extension of the borrowing period will help.
- You will be able to access materials from all locations, delivered to your “home” library.
- The Library catalog will be a much richer, more interactive, and certainly EASIER place to search as well as manage your account.

While we make this transition, we need your help!

Please be patient! Technical projects of this nature always throw unexpected curve balls and staff will be learning a new way of serving you.

THANKS!
